SHARON, PENNSYLVANIA

Sharon High School
Alma Mater

Hail! all hail to Sharon high School, Bright the torch for thee we bear,
Hail! all hail to Sha-ron high School, Far and wide thy ban-ners fling

May it burn as bright for-ev-er As its glo-rious light we share.
May they float on high for-ev-er As our tru-est gifts we bring.

At thy feet we lay our tro-phies, hon'-ring thee we can-not fail
At thy feet we lay our tro-phies, hon-ored thus we dare not fail

In our hearts a rev'rent greet-ing. Hail to Sha-ron, Hail!

Responsibility to others is the core of democracy.
They chose to shoulder their responsibility
By leading

To direct our thoughts and challenge us
To stand
Taller . . . .
Straighter . . . .
With more freedom
Than the world has ever known before.

This is the tack to draw each meaningless
Social puzzle into place.
The high way . . . .
The hard way . . . .
The job to train our minds.

Our Leaders

DR. C. M. MUSSER
Superintendent of Sharon Schools
Dr. C. M. Musser . . . directs Sharon's public school system . . . we were glad to see him back after his absence—his smile and direction were missed.

Don't ever take your way of life for granted. It is the American way, and its perpetuation depends on you and on young men and women like you in every high school in the country.

During your years in school you have gained an understanding of what America means. It follows that your obligation is twofold: to preserve American ideals and to perpetuate democracy in America.

How are you going to be an effective citizen discharging your responsibilities and duties honestly and conscientiously?

You will do it in many ways—by keeping informed of public affairs through wide and unbiased reading so that you can vote intelligently; by developing your talents and abilities to the utmost so that you can contribute to the progress of America; by being loyal to American ideals so that your country will be strong. All this means having faith in yourself, in your country, and in God.

Never forget that if our American way is to be preserved and strengthened, you must accept the responsibilities citizenship entails. Neglect of them will surely result in loss of privileges.

C. M. Musser

Dr. Musser welcomes parents and friends at Open House.

JEAN E. SEMPLE
Secretary to Superintendent

ALEINE M. BILLINGS
Asst. Secretary to Superintendent

Our Leaders

STANLEY N. CURRIER . . . Sharon High School principal . . . took over leadership in 1943 . . . his judgment and keen understanding have gained our respect and confidence.

There are many things that make a man great.

Among the foremost is the determination to work hard—once a man has done this, his future is secure.

Work brings deep personal satisfaction, a sense of dignity, mental health, and joy in achievement.

S. N. Currier

ALBERT P. WILDMAN . . . our assistant principal . . . patiently arbitrates our problems and guides us in our school decisions . . . his help and guidance have made him a friend to all students.

Democracy implies the right of the people to make their own choice and decisions. If young people have freedom to learn from competent teachers who are free to teach, they will learn *how* to think and not what to think. They will then be competent to make wise decisions that support our democratic way of life. Training our youth, in this way, for effective citizenship will keep our American concept of freedom alive.

They Plan For Us

Row 1: Dr. C. M. Musser, John B. Alter, Oliver Beach, Fay V. Ferguson, secretary.
Row 2: James Herrmann, Charles W. Burke, Basil Scott, Harvey Moore, solicitor, Robert Atwood, Frank Sherwood.

In their capable hands rests a million dollar school project for Sharon's public school system . . . the S. H. Hadley and W. D. Gamble elementary schools . . . to meet the needs of the expanding community.

These elected members carry out the state school laws . . . and plan an educational program hard to surpass.

We are deeply indebted to these public-spirited men for the excellent schools and high standards they have provided for us.

"MOMENTS *make the* YEAR"

eniors

Twelve years ago in war-torn 1943

We entered the intricate network of learning

And adjusted our lives to a framework of education.

Facts . . . .

Meanings . . . .

New horizons on every side . . . .

Everywhere we searched there was more to be learned

A new world of knowledge.

Cherished treasured moments from these years

Rush back

As we go forth in 1955,

God give us courage

to face the new . . . .

and the better . . . .

CLASS MOTTO:
THE DEED IS EVERYTHING; THE GLORY NOT.

CLASS COLORS:

Senior advisers, Herbert S. Spigelmyer and Forrest Eakin, talk over senior problems with the students.

I Remember, I Remember

(Parody on I REMEMBER, I REMEMBER by Thomas Hood)

I remember, I remember
The year we started here,
The constant razzing that we took
From upperclassmen dear.
They urged us to the swimming pool
And to *that* third floor hall,
But we forgot the hazing soon
When sophomores had their ball.

I remember, I remember
Our marching day and night
For the Girls' Gym Exhibition
My weren't we a sight?
The Christmas Concert was superb,
The Junior Prom was grand,
Rallies wouldn't be the same
Without the high school band.

I remember, I remember
Pitt Field House—On to State!
The train trip down to Philly
Where the Tigers met their fate,
The ball games when the students cheered,
Assemblies that were fun,
The first pink slip for being late,
And homework to be done.

I remember, I remember
The last of our school years,
The little things we can't forget
As graduation nears.
The Senior Play, the Senior themes,
And Senior Class Day, too,
The Senior party, honor roll,
So many things to do.

I remember, I remember
When we were juniors, too,
And National Honor was the goal
Of every Bill and Sue.
The golf team were the section champs,
Our football squad beat Farrell,
The Tri-Hi-Y Ingathering
Brought enough to fill a barrel.

I remember, I remember
Teachers who taught us well
To read a book, to check a sum,
And 'specially to spell.
But more than these
To seek the truth each day
So that graduation's not the end,
But the first step of our way.

Our Friends

They had had only a glimpse of life,
Just one fleeting look, just one hazy glance.
And we who are left to stare unhurried
Wonder if it were fate, or merely chance.

Was it planned by Him that she swim in the lake?
Was it meant to be that he enter the car?
We who are left can only surmise—
For all of our staring, we can't see that far.

But in memory of two who were friends to us all,
Oh, God of the past, the present, the future,
Let this be the promise we make to ourselves,
Let this be the ideal we carefully nurture:

If speed must be, let it stay in its place,
Not on highways of travel, but highways of thought,
In the minds of men who search to learn
The secrets of life only Time has bought.

If speed must be, let it be in our labs
Where we'll labor to find the end to man's ills.
And first on our list of diseases to fight—
The one that maims, that cripples, that kills.

—Frances Palmer

"MOMENTS *make the* YEAR"

nderclassmen

The day we took our first steps
Inside the brick walls of Sharon High
Marked the beginning of "growing" years.

Knowledge expanded into ever-widening fields.
Step by step
We built our education,
As children play with blocks.

The sidelights—
Struggling to make the sophomore honor roll
Chatter in the hall
Honor Permits
This all was a very integral part of our lives
As the senior year approached.

Man is ever broadened by varied experience
Or so the philosopher states.

Among the moments we would remember
Are those culled from
The clubs,

Sports,
Groups
We are a part of in Sharon High.

Working together toward a common goal
Playing in keen competition
Dancing in the softly lighted gym
The "busy"-ness of belonging.

One hundred purple-robed figures led by their capable director, William Blough, cause a hush of expectancy in the audience. Then suddenly as the hands of the director swing abruptly downward, the combined voices burst forth in perfect harmony, harmony which is achieved through period after period of practice.

Throughout the year the Concert Choir members have lent their talents to many musical events such as the Veterans' Day program, the annual Christmas Concert — who will forget "Twas the Night Before Christmas"?—and the Spring Music Festival. Many appearances outside school are also included in their schedule.

Sharon High's Concert Choir is a select group. By try-outs for the freshmen each spring the organization maintains its high standard of musical productions.

I Love A Parade

Under the direction of Mr. Fred Boles, the 76 members of the Sharon High School Band entertained with unique marching formations and high-stepping precision at our football games last fall. Exhibitions from barbershop quartets to shooting skyrockets were featured during the halftimes at seven home games.

The band also provided music for home basketball games. Who'll ever forget "The Muskrat Ramble" or "They Were Doing the Mambo" as styled by our band?

Stepping outside the school, the band took part in the Hallowe'en, Veterans' Day, Christmas, and Memorial Day parades. Displaying their musical talents in a more serious vein, the group performed in the Spring Musical and a public concert at Buhl Farm Park.

Seniors in the organization for two or more years received special awards.

Members selected to represent the Sharon High School Band at the Mid-Western District Band Festival held at Butler, Pa., were Alan Lytle, Edward Spondike, David Maxwell, Jean Hendrickson, Robert Beach, Charles Tamplin, and Dale Wilcox.

This organization not only provided interest and enjoyment for the members but also for everyone who heard it. We can be proud of our band.

Echoing through the auditorium every activity period except Wednesday is the music produced by Sharon High's orchestra. Providing music for our school assemblies is only a small part of this group's service, for they also play for open house in the fall, plus senior play, and take part in the Christmas Concert and Spring Festival.

Under the direction of Mr. Frank Daly, spending his first year at Sharon High, the 32 members of this organization have reached their place of importance in the school's activity list.

Representing Sharon High School at the Midwestern District Orchestra Festival at Fredonia and Mercer, Pennsylvania, were Betsy Applegate, Shirley Voytik, Amy Fielder, Carol Guynn, Donna Jean Morton, Michaeleen Dunay, Abba Polangin, David Maxwell, Edward Spondike, Hunter Chiles, Alan Lytle, and Dale Wilcox.

Here's fun plus Christian fellowship! The Tri-Hi-Y's, the main service groups in Sharon High, follow the high purpose of the club: "To create, maintain, and extend throughout the home, school, and community high standards of Christian character."

Divided into three groups, the clubs plan various programs and projects throughout the year. The sophomore group sponsors a school assembly program as well as Christmas and Easter projects. A Mother-Daughter Banquet, films, a Christmas project, and sending a Bible to a missionary were plans made by the junior club during the past year. Sponsored by the senior organization were a school-wide Ingathering at Thanksgiving for the Mercer County Children's Home, collection of Christmas gifts for the underprivileged children's party at the Salvation Army Hall, and a tea and reception for the members' mothers in April.

These clubs functioned efficiently under the guidance of their advisers: Misses Mildred T. Caldwell, E. Vernece Saeger, and Elma M. Stansfield.

Our Hi-Y club, under the direction of Mr. Joseph Bower and Mr. Richard Krepp, has been very active this year. Its main purpose is to create, maintain, and extend throughout the home, school, and community high standards of Christian character.

The club's activities include sponsoring the annual Homecoming Dance in honor of the football team and the school assemblies. At Christmas the main project is supplying needy families with some good cheer. This year the club made Christmas a little happier for two families in Sharon.

From time to time members participate in local, county, district, and state Hi-Y, Tri-H-i-Y rallies. They also contribute to Community Chest, Red Cross, World Service, and Polio Campaigns.

Service—Leadership—Scholarship—Character

Founded in 1950, the P. A. Jones Chapter of the National Honor Society bestows upon its selected members one of the highest honors of Sharon High School. Scholarship, character, service, and leadership are the required qualifications demanded of those elected by the faculty to be inducted into the chapter in February and May. To be eligible for the group, juniors must have an honor roll average of at least 3.25 and seniors a minimum of 3.0. Both are required to have attended Sharon High for one semester. Each candidate must also rate a 3 or higher in leadership, character, and service from the faculty voting. Juniors are eligible for induction in May, while seniors are inducted in both February and May.

Under the adviserships of our asistant principal, Mr. Albert P. Wildman, the purpose of the organization is to stimulate interest in school work and citizenship.

The Masque and Mike Club, one of the largest groups in our school, this year consists of sixty members. Club membership, attained through tryouts at the beginning of each year, provides interested students with dramatic experience through actual practice and enjoyment. The club members devote their time to one act plays, choral speaking, and readings.

Masque and Mike Club members take part in several outside activities each year such as club programs and civic entertainment.

Regular meetings are held on the second and fourth Wednesdays of each month.

Miss Caroline Daverio is adviser for the club.

"I Love Lucy" rollicked its way behind the footlights as our senior class play of 1955. Combining three of the hilarious television plots, written by Jess Oppenheimer, Madelyn Pugh, and Bob Carroll, Jr., this play shook with laughter from the rise of the curtain until the final applause died. Remember Ethel Mertz in her red flannel nightgown, hip boots, and 12 gauge shotgun? Poor Arthur Morton's dancing lesson? Ricky chasing Lucy around the stage with a broom?

The applause goes to Miss Carolyn Daverio and Miss Ruth Moore for the direction of this play which maintained Sharon High's top standard of dramatic productions.

We loved Lucy!

"Have I gone crazy?"
"I like it."

"I never had enough money at one time to open a checking account."

The French Club is actually two clubs in one, for it is made up of the first and second year groups. With Miss McBride as adviser, the 65 members meet once a month to promote and stimulate interest in the French language and culture.

The business meetings, held entirely in French this year, were followed by programs based on the theme "Getting Around in French."

At Commencement an honor award is presented to a graduating second year French student who has displayed outstanding honor work in French.

The first issue of Sharon High School's publication, then called "The Mirror," was published more than 21 years ago. In 1953 and 1954 "The Sharon High Gazette" achieved a First Class Honor Rating by the National Scholastic Press Association and received an International First Place Award from Quill and Scroll, the honorary society of high school journalist, for "distinctive achievement in scholastic journalism."

During the 1954-55 year the "Gazette" was published by a voluntary group of 30 students, 15 of whom attained staff membership by writing 30 inches of printed material. Also assisting Miss Anna Grace Smith, adviser, and the editorial board were the remaining 15 try-outs.

A literary supplement made up of short stories and poems written by non-Gazette students was published in the spirit along with the 10 regular monthly issues.

The Quill and Scroll is Sharon High's branch of the National Honor Society for High School Journalism. To become a member of this group, the candidate must have at least 200 inches of original material printed in the "Gazette", honor roll grades, plus the recommendations of three of his teachers. A sample of the candidate's writing then is submitted to the National Council; if it is approved, the candidate is inducted into the chapter in May.

Faculty members who work in the publications field are invited to join the organization. The faculty adviser of this group is Miss Anna Grace Smith.

Here they are: the smiling individuals who make this book possible. Every Tuesday after school they met in the physics laboratory to produce this record of Sharon High's activities.

This year the book was done for the first time in offset-lithograph process. Juniors assisted the seniors to gain a knowledge of the procedure followed in producing a yearbook.

The adviser is Miss Lillian E. Semple.

Thanks go to our advertising staff for the hard work they did throughout the year. Without the outside subscriptions they gained for us, the "Mirror" would have been a lot more expensive. This group of competent workers went out, "met the public" and sold our annual to them.

Newest of the high school's organizations, a "Future Teachers" group was inaugurated in Sharon High School late in 1954. Recognition of the fact that the teaching profession needs encouragement among high school students to fill ever-increasing vacancies prompted H. F. Grimes, guidance director, to take the first step in organizing such a group.

After attracting more than thirty boys and girls from the junior and senior classes to the first meeting, the organization has continued to grow.

By arranging visits to nearby teachers' colleges and by obtaining speakers and informative literature, Mr. Grimes hopes to acquaint the students with opportunities in the educational field.

Superintendent Musser has given the group permission to begin a practice teaching arrangement whereby seniors interested in the profession may aid elementary teachers in actual classroom work.

Perhaps the group may affiliate later with the National Organization of Future Teachers of America.

Lights, Action, Camera

Everybody likes a movie, and the Visual Ed Staff makes many classroom movies possible. Under the guidance of Mr. James Marks, this group previews many of the films and arranges with the classroom teachers for their showing. While gaining much experience in the field of motion picture projection, they perform a fine service to Sharon High.

Headed by Mr. Robert F. Holt, the fifteen members of this group are the hand behind the scene for all school or civic group productions at Sharon High. These boys build the sets, light the stage, and do the millions of odd jobs that are necessary to the success of any auditorium or gym production.

Membership in the stage crew is limited to four or five seniors, four or five juniors, and six sophomores to make up one of the service organizations of the school.

It is the duty of the fire squad to protect the lives of the students of Sharon High. Perfection along these lines is acquired through periodic fire drills. When the fire alarm sounds, the 16 members of the squad rush to preassigned positions at the five doors of the school where they keep the students moving in an orderly manner. After all the students are safely out of the building, the doors are closed by the squad; then they follow out of the building.

Boys are appointed to this school service organization by their adviser, Mr. A. P. Wildman, at the beginning of their junior year and remain on the squad through their senior year.

Guarding the safety of every student of Sharon High School is the task of the traffic patrol. With "Safety First" as their motto, they're on the job every school day in any kind of weather.

Under the guidance of Mr. Blaine Laycock and Mr. John Chickerneo the patrol consists of 16 members.

The three squads of the patrol divide the duties of guarding the crossings, checking the parking lot, and watching the doors of the school building. Every week the boys rotate to a different task.

For their work and time these boys are rewarded with theater tickets every month and a banquet and baseball game at the end of the school year.

This club deserves much credit for providing these successful parties and dances during the school year. Their dances are certainly among our moments to remember from Sharon High.

Clerical Assistants

The secretaries of Sharon High School are a select group of girls who donate their free time for service in our school offices. Girls holding these positions in the Guidance Office, Publications Office, and offices of Mr. Wildman and Mr. Stover are chosen by the business department on the basis of above average grades, school citizenship, and personality. While serving the school, these girls gain practical experience for their chosen future professions.

Under head coach John Chickerneo for the fourth straight year, the Sharon High football team had a very successful season. With twelve seniors as a nucleus, the boys met defeat only twice in ten outings. The big line and the fast backfield powered over neighboring Sharpsville to begin the season and walloped arch rival Farrell to terminate it.

Fred Conti and Joe Bosco served as team captains for the year; however, a different senior acted as captain for each game. Bosco brought additional honor to the team by being named to the second team All-American High School Squad.

Sharon 19 Sharpsville 6

Coach Johnny Chickerneo's Sharon High Tigers got their 1954 football campaign off to a successful start by defeating Sharpsville, 19-6. The Tigers scored twice in the second period and again in the third to rack up their 20th victory over their rivals since starting the series in 1923.

Sharon 13 Beaver Falls 14

Don Politano's successful conversion in the last minute and a half of play knocked the Sharon High Tigers out of the WPIAL Class AA race and also gave Beaver Falls a 14-13 victory. Trailing 13-7, the Fallsmen tied the count after driving 66 yards and then evened their record at 1-1 when Politano booted the ball between the posts for the winning extra point. Fred Conti and Joe Bosco scored the touchdowns for the Tigers.

Sharon 35 Youngstown North 0

Coach Johnny Chickerneo's gridders rebounded with a vengeance from their loss to Beaver Falls by garnering five touchdowns, two of them by substitute halfback Bob Wilcox. The Tigers tallied single TD's in each of the first, third, and fourth periods and also had two in the second frame to wind up with a 35-0 victory over their new opponent, Youngstown North.

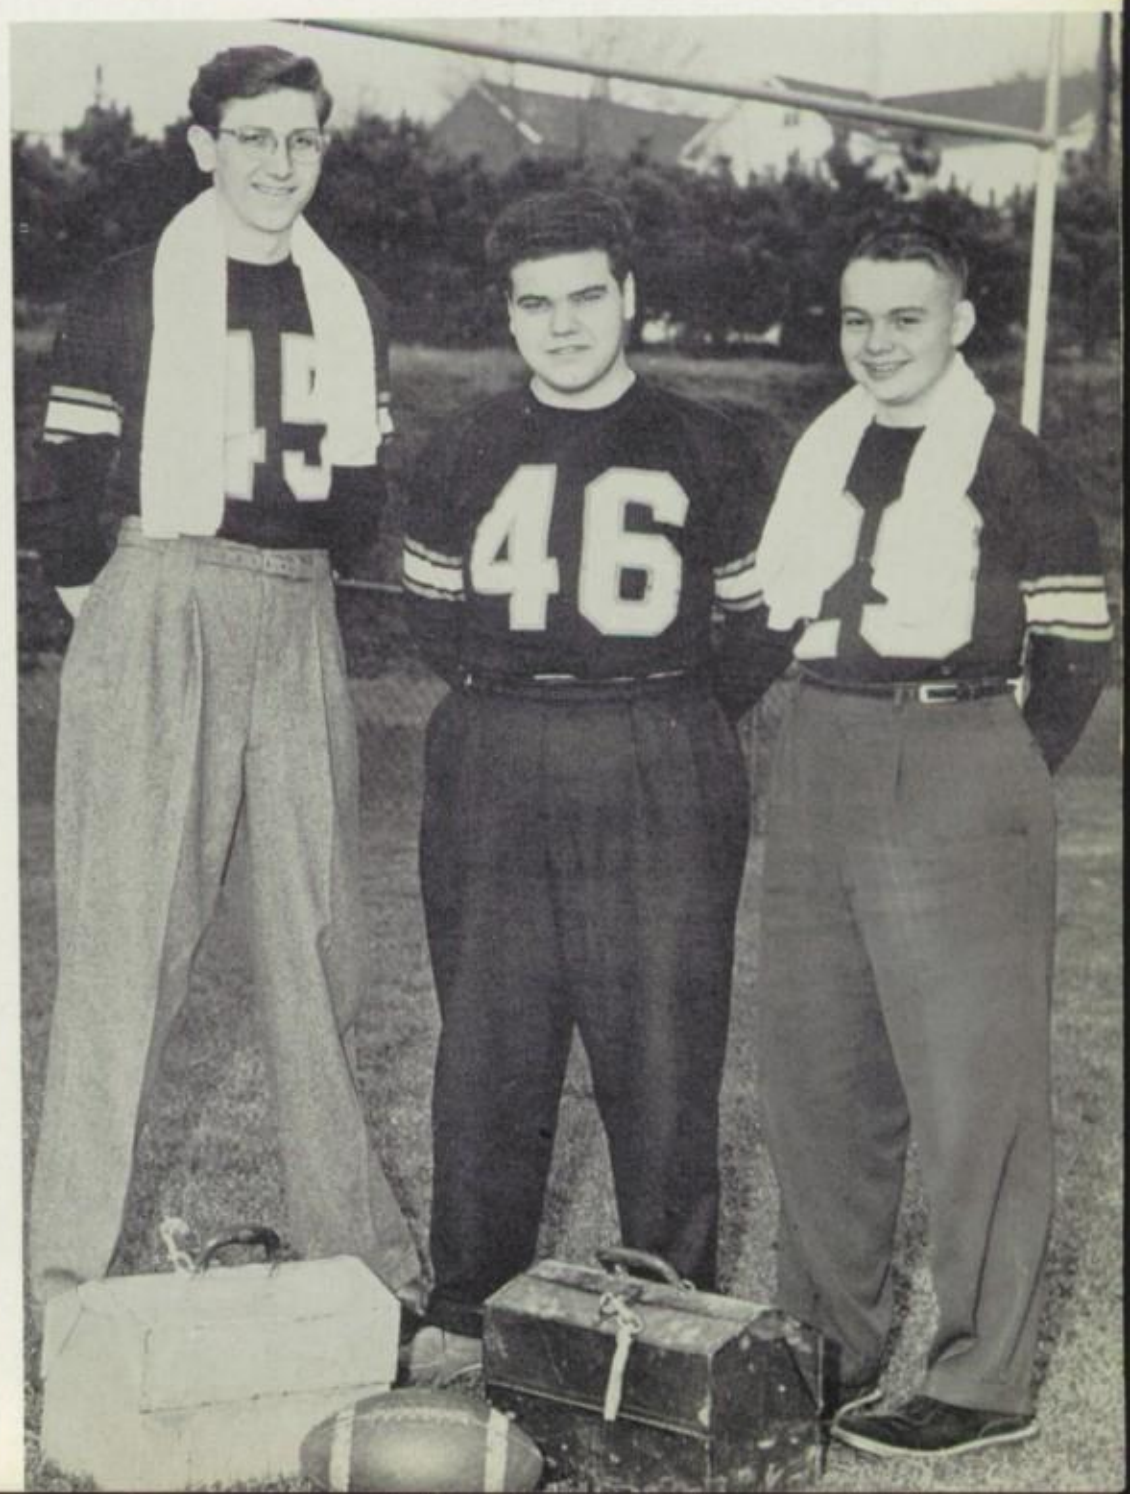
Sharon 21 New Castle 13

A charged-up Sharon eleven blasted New Castle's hopes for a WPIAL championship with a come-from-behind 21-13 victory over the previously undefeated Canes.

Thirsting for revenge for a 40-0 defeat last year, the Bengals completely outplayed the powerful Hurricanes.

FOOTBALL MANAGERS

Mike Ristvey, James Marcello, David Rosetti.



Sharon 26 Woodrow Wilson 6

With every one of Sharon's starting backfield scoring—Bosco, Conti, Amato, and Bodnar—the Bengals notched their fourth straight victory at home, an impressive 26-6 victory over Woodrow Wilson.

Sharon 13 Butler 12

Freddie Conti's successful placement following his 93 yard touchdown run in the first quarter turned out to be the margin of victory as our Sharon Tigers edged a powerful Butler eleven 13-12 at Butler.

Aliquippa 19 Sharon 12

An alert team of Aliquippa High Indians "outbreaked" the Sharon High Tigers Oct. 22, to score a 19-12 decision on the Aliquippa field. The game was a tightly played contest with four of the five touchdowns coming as a result of defensive play. The first score of the game was also the result of a break, giving the Indians an early advantage.

Sharon 32 Erie Vincent 12

Halfback Freddie Conti scored three touchdowns as Sharon notched its 6th victory of the season and its fifth straight win on the home gridiron, 32-12, over a weak Erie Strong Vincent eleven, to keep their record on the home field a perfect one for the season.

Sharon 34 Meadville 0

The Sharon High Tigers stretched their undefeated string on the home gridiron to six games by crushing Meadville, 34-0. The Bengals put together an almost impenetrable defense and a powerful ground offensive to record their 7th triumph in 9 games and the third straight shutout over the visiting Crawford Countians.

Sharon 43 Farrell 0

The Sharon High Tigers put on one of their finest displays of offensive and defensive power to close out their 1954 football season in a blaze of glory with a 43-0 victory over Farrell.

Pacing the Bengals were three of the 12 seniors who closed out their scholastic careers—Joe "The Tank" Bosco, Charles "Glue Fingers" Kellum, and Freddie "The Toe" Conti. Bosco and Kellum each scored two touchdowns, while Conti won the county scoring championship with one touchdown, four extra points and one field goal to run his season's total to 92 points.

Coach Blaine Laycock guided the courtmen of Sharon High to a very successful season. Six returning lettermen made up the nucleus of the team. Although they did not win their section, the boys made a fine showing in Section 3 of the WPIAL, winning 15 of 19 games.

Bud Swogger and Delbert Tice were captains of the team, and five other seniors played their final games on the hardcourt.

George Stover
FACULTY MANAGER

Sharon 53 Ambridge 45

Sharon High's undefeated passers opened their bid for the Section 3 title by downing Ambridge 53-45, Jan. 4 on the latter's court behind the 20 point scoring spree of forward Charles Kellum. It was the 8th straight triumph of the season for the Tigers.

Sharon 68 Beaver Falls 41

Coach Bud Laycock's Tigers threw up an almost impenetrable defense and combined it with a dazzling offense to deal the Fallsmen their first setback in league competition. The impressive victory, 68-41, extended the Bengals' undefeated string to 9 for the season and two in Section 3 competition.

Sharon 47 Aliquippa 44

The victory, Sharon's third in Section 3 competition and the 10th in a row for the season, gave the Bengals undisputed possession of first place in the league, a half game ahead of Farrell (2-0). Field goals by Bob Douthit and Charles Kellum in the last two minutes of play gave Sharon their victory over the "Quips" and kept the Tigers in the undefeated class.

Sharon 66 New Castle 50

Sharon remained one of the few undefeated scholastic quintets in the state after turning back a big New Castle club, 66-50. The largest crowd of the season, about 3000 fans, saw the smaller Tigers outfight and outrun the taller Canes to extend their winning streak to 11 for the season and four in Section 3 competition.

Sharon 64 Ellwood City 50

The Tigers were forced to rally in the last half to defeat Ellwood City, 64-50. The Bengals outshot the Wolverines, 37 to 23, in the final two periods to chalk up their 12th consecutive triumph of the season and the fifth in a row in league play.

Farrell 66 Sharon 46

It was the inspired play of Bud Swogger and Fred Conti that kept Sharon out front in the first quarter. The Steelers were too big for the Tigers. In the second quarter, the Steelers fought off a six point deficit and moved to a commanding lead which they continued to increase as the game progressed.

Sharon 62 Ambridge 52

A third quarter rally, sparked by Charles Kellum, Bob Douthit, and Delbert Tice, carried Sharon to a 62-52 victory over Ambridge to keep the Tigers in the thick of the Section 3 race. The victory was the second over the Bridgers and the sixth in 7 league starts.

Beaver Falls 70 Sharon 51

Accuracy at the foul line paid off for the Fallsmen who evened their series with the Tigers by this victory. The defeat was the second in 8 games for Coach Bud Laycock's passers and put them two games behind league leading Farrell. Sharon's chances for the section championship received a rude jolt by the 70-51 upset.

Sharon 75 Ellwood City 45

The Tigers turned in one of their best played games of the season behind Charley Kellum's 32 point scoring spree to trim Ellwood City 75-45. The victory pulled the Bengals into a second-place tie with New Castle in the Section 3 race. The victory was Sharon's 8th in 11 league starts and gave them a record of 15 out of 18 for the season.

Farrell 68 Sharon 50

The Sharon High Tigers closed out their 54-55 season, winding up in third place after their loss to the Section 3 champs, Farrell. The Bengals were in the battle until overpowered by a hot Steeler third quarter. The game marked the last scholastic performance for 7 seniors who were a major asset in the season's success.

Row 2: Mr. Bennett, F. Bombarderi, J. Bailey, M. Matta, J. Fridley, P. Wildman, T. Durbin.

The Sharon High JV's under assistant coach Donald Bennett turned in one of the most spectacular seasons in many years with a 17-19 record. The 17 game winning streak was blurred in the last two games of the season by a set back from Ellwood City 42-38, and a loss to Farrell, 40-30. Next year's varsity should prove to be very promising judging from the fine record compiled this season.

Athletic Council

Pictured below is the Sharon High Athletic Council, composed of the members of the school board along with Dr. Musser, Mr. Currier, Mr. Wildman, Mr. Stover, and the coaches of the varsity athletic teams. The council is responsible for the athletic program of the school.

With Peter J. Collodi as coach for the 6th straight year, the Sharon High linksmen compiled a record of 11 wins and 1 loss which came at the hands of Brentwood High School in the finals of the W. P. I. A. L.

Other than regular season matches, the team played in the Yankee Run Invitational Tournament, which they won with a team score of 315.

Pat and Bill Rielly brought additional honors to the team by qualifying for the Pennsylvania High School Individual Tournament at State College, Pennsylvania. Pat finished 12th and Bill 23rd.

Boys' Program

"Organized competitive athletics for all" is the motto for the boys' intramural program. In 1951 our Board of Education accepted recommendation to add boys' intramurals to the school program, assigning Mr. Peter J. Collodi the task of organizing and promoting the project.

To start the ball rolling, the Recreation Council, made up of one representative from each home room, was formed and given the task of planning the program. A survey was then made to find out what activities our students were most interested in. It was also emphasized that any other activities would be added to the program if there were sufficient demand.

The council set up a very simple point system. Three points are awarded to every participating boy on a winning team and two points for every loss. A forfeited contest gives the winner three points and the loser a minus three points. A bonus of five points is given to the players of a team copping a class championship. A card record for every boy is kept in the school on which is recorded his point earnings.

Intramurals open in the fall with touch football, golf, and tennis. We're very fortunate in having the full-hearted cooperation of three public golf courses—Tam O'Shanter, Yankee Run, and Leeland—which extend to our boys free privileges.

Basketball, table tennis, shuffleboard, foul shooting, bowling, and chess keep the winter's program stepping. The bowling program has proved to be one of our most successful activities. Perhaps it's because it's a mixed group of boys and girls. The chess club was added to the schedule this year through the request of 20 students.

Spring concluded the year's activities with volleyball, badminton, and interclass track meets. The entire intramural program is conducted in after-school hours.

Dorothy Weller, Girls' Director

At the close of the school year appropriate medals are awarded to the boys who have won all school championships in the various sports. The six boys in each class that have accumulated the greatest number of points receive trophies. By totaling the points earned by all the boys in a particular room, a homeroom championship is determined. A homeroom is also credited with five points for each of its members that make a varsity squad.

From 87% participation in 1951, we jumped to 90% last year, and this year we aimed for 100% participation. This intramural schedule is based on the belief that every boy, regardless of his ability, has the right to experience the thrill of competition.

Girls' Program

The girls' intramural set-up is not new, for in 1933 Miss Dorothy Weller, girls' physical education instructor, first introduced the full program of sports. Over 700 girls were enrolled in at least one activity each at this time.

This year the program was expanded and improved upon and again introduced into gym instruction. It had previously been set aside when the enrollment became too large.

The program opened in the fall with Indian base and a tennis program that extended for five weeks. With its free tennis courts, Buhl Farm Park is always open to our Tennis Club members.

Through the winter months from November to March dancing, basketball, bowling, shuffleboard, and volleyball kept our girls busy. Dancing for both boys and girls was a brand new addition this year—a successful one too for usually the boys outnumbered the girls in these after-school classes!

Tennis, badminton, and volleyball concluded the year's schedule.

The entire intramural program is under the direction of the girls' Leaders Club. The 52 members of this club arrange the games, serve as referees, and captain the various teams from the gym classes. Each Leader also directs at least one phase of the intramural program.

Awards are given at the conclusion of each tourney to the victorious team players or all-school champion of a certain sport.

The entire intramural program of Sharon High gives every student the chance to take part in some sport regardless of his ability during some time in his high school career. Good fun, sportsmanship, and keen competition of hard fought games are moments we will remember.

Echoing across the bowling alleys of the Boys' Buhl Club come the sounds of crashing pins and the excited shouts of Keglers' Klub members. One of Sharon High's more unusual clubs, the group is divided into twenty teams which compete each Thursday and Friday during the months of November through March. This year the club numbers over 140 members bowling in a "round robin" schedule.

Each team is pitted against each of the other teams during the bowling season to determine the group eligible for the winners' trophies. At the club's annual banquet held in April, awards are given not only to this winning team, but also to the boy bowling the highest score, the highest average, and the lowest average; and to the girl scoring the highest single game, the highest average, and the lowest average. Other special awards are also included at this banquet.

Headed by Miss Dorothy Weller and Mr. Peter J. Collodi, this organization is an important part of the varied intramural program.

There are no requirements for membership in this organization—only a love for bowling.

Fore! It's often been claimed that golf is a man's game, but the Girls' Golf Club is out to disprove this statement. A brand new addition to Sharon High's list of organizations this year, the group meets weekly to learn and practice the fundamentals of golf with their adviser, Mr. Peter J. Collodi.

One hundred and twenty eight girls couldn't go wrong when they all joined our tennis club. They learned how to "score" in tennis and how to keep score. The techniques of forehand, backhand, volleying, and service were emphasized by Miss Dorothy Weller, the club's adviser.

The main purpose is to teach all the members to play the game with a certain degree of skill. In the spring the girls enter the tennis tournament, and through competition they test the ability acquired throughout the year. An award is given to the all-school champion.

This year the club was open only to girls.

Chess Club

Seated: J. Miller, R. Gilliland, M. Schanz, B. Boyce, R. Beach.

Checkmate! Our Chess Club meets every Thursday evening at 7:30 in the cafeteria to match wits. Organized for the first time under the intramural program, the club has been very successful. Its purpose is to acquaint its members and anyone who does not know the game with the rules of chess. Many exciting matches have resulted from an experienced player teaching a beginner the bare essentials of the game. Chess, which has been played by men for centuries, is now enjoyed by this group once every week.

Tumbling Team

Kneeling: T. Costello, B. Cameron.
Row 1: B. Paulsen, R. Wharton, Mr. Collodi, D. McCartney, J. Kovach, R. DuMars, C. Nottingham, D. Brandt, D. Beringer.
Row 2: J. Costello, J. Downey, B. Richards.

The tumbling class, which meets on Monday, Wednesday, and Friday, brings together those students who enjoy maneuvering the body in the various ways possible in tumbling. Tumbling may develop isolated sets of muscles until the participant can develop a well-rounded total musculature.

The program includes forward rolls, backward rolls, diving, somersaults, combination rolls, handsprings, and kips. Use is also made of various exercises on the horizontal bar.

Leaders Club

Senior Leaders

Left to Right: M. Lucas, S. Limpar, N. Reese, B. Kweder, M. Schermer, F. Bebic, M. Schanz, B. Diurba, J. Routman, R. Vodenichar, H. Whitmore, B. Mader, B. Unger, K. Marshall.

Sophomore & Junior Leaders

Row 1: A. Rusnak, E. Gereb, J. Bailey, G. Brennan, E. Miller, N. Poplava, C. Cross, J. Gunesch.
Row 2: R. Baker, J. Rubano, A. M. Weller, J. Sivulich, M. Heffner, J. Likens, C. Martinko, H. Wettick.
Row 3: M. Ferrence, S. Davis, E. Brewer, M. Smith, C. Sherwood, J. Webb, B. Lyons, C. Willard, P. Miller.

Attention, all girls! Do you like to participate in extra sports' activities? Do you enjoy giving commands, teaching exercises, skills, rhythms, and games? Would you care to take charge of a whole gym class? Answer yes to these questions, and the Leaders Club is the place for you.

This is a chosen group of sophomore, junior, and senior girls who spend three activity periods per week—at least 30 per year for sophomores and juniors and 20 for seniors—perfecting their physical education work. They then can help other students in their gym classes.

These girls are quite energetic. Besides sponsoring bake sales, selling football programs, and organizing drill teams, they have also put on physical education demonstrations such as the one in April, 1954.

What do the club members get for all this work? Development of good sportsmanship and leadership plus superior achievement in physical education are some of the rewards.

The material award in their senior year is a sweater and an emblem for three years of service to the club or an emblem for two years' membership.
